- All Details in Schedule are Subject to Change. Please check band website for up-to-date schedule information.
- Leadership students (band council and section leaders) will have several meetings on their own during the summer. Times and dates TBD based on student availability. These are student organized and not official supervised activities.
- **Section leaders will be scheduling some student-run section rehearsals. These are student organized and not official supervised activities.**
- **The band students will likely organize car-washes over the summer. Parent chaperones will be arranged but these will be off-campus events and band/school staff will likely not be in attendance. Carwash dates will be added to the online calendar when determined.**
- **The first year member party is not a band event. It is a social event for band students organized by band students and is not required. Parents will be in attendance but not as official school volunteers.*
